## Clarification Advisory for New and Replacement Residential Boilers

Attached for your reference is the TSSA published advisory that provides clarification on the Director's Safety Order, FS-156-09, for new or replacement residential boilers with an input less than 300,000 BTUH.

The Canadian Institute of Plumbing & Heating is a not-for-profit trade association. Founded in 1933, the Institute is a vibrant organization committed to providing members with the tools for success in today's competitive environment. More than 250 companies are members of this influential Canadian industry association. They are the manufacturers, wholesaler distributors, master distributors, manufacturers' agents and allied companies who manufacture and distribute plumbing, hydronic heating, industrial, waterworks and other mechanical products. CIPH wholesalers operate more than 700 warehouses and showrooms across Canada. Total industry sales exceed \$5 billion annually.
